AUGUST AND SEPTEMBER 2009

LeTip of Mission Viejo - Special Advertising Supplement

WE CAN PROVIDE A SERVICE FOR YOU.

You have probably acquired this newsletter either by receiving it from one of our club's professionals or possibly by someone who has already used one of our member's services. Which ever way, we are glad to meet you!

What's "LeTip" all about??? *LeTip* is a professional organization of men and women dedicated to the highest standards of competence and service in their chosen profession. Our club meets once a week for a formal meeting to network with each other, allowing us the opportunity to serve you on an exclusive referral basis. What this means to you is that our club's members go out of their way to provide you with only the best of what they have to offer!

Inside this newsletter, you'll find a directory of over 100 of Orange County's top professionals awaiting your call to provide you with the best their service can offer. We look forward to being of assistance!

Please support our newsletter with your ads! For all changes, additions and corrections, please contact David Blake or Penny Welton.

WE CAN HELP GROW YOUR BUSINESS.

Face-to-face networking with other business professionals has been proven time and time again to be one of the most effective ways to market your business. That is the core of what *LeTip* is all about. Hands on networking with other business professionals resulting in qualified leads for your business.

If you would like to see your business increase exponentially along with an enormous amount of other benefits, you'll want to join our very select group. *LeTip* of Mission Viejo generates an average in excess of 12,000 individual money making business referrals a year, resulting in millions of dollars in business for its members. Moreover, unlike other organizations, each business specialty is represented by only one member, so there is no competition. This is an exclusive group in very high demand.

When you join our networking organization, you will be exposed to a broad range of approximately 90 exclusive business professionals on a weekly basis. These people become your personal sales force. We look forward to having you on our team!

LeTip MV is an extended family - complete with diverse characters like any large family, and full of love, support, and sincere caring for each other. I joined for the business leads and stayed because of the members, plus I have derived phenomenal business from LeTip MV, as well as friendships.
