M.V. LeTip PRESIDENT'S MESSAGE

February & March 2008

As I come to the end of my 3rd term as your President I want to sincerely thank all of the membership of LeTip Mission Viejo not only for your support but for the honor to have led this club. We have seen a lot of changes this past year and taken them on with the spirit of a team and possibility which has led to very positive results. From our new "triple time" cards, "Super" grand slam, extended show boater's spotlights, power group lunch system, new mentor system and the highest payout membership drive the club has ever had to our highest visitor attended business mixer, picnic, casino night last Holiday party and our incredible highly functional website - I'd say we were busy other than just doing business.

I encourage all of you to consider taking committee or even board positions next year, allowing YOU the opportunity for growth in just more than your business. I've mentioned it before and did it myself. If you want to see some changes made, take control and responsibility and get involved. LeTip, especially our club, offers an incredible opportunity for growth.

Thank you once again for the privilege of being President of LeTip Mission Viejo.

With warmest regards,
Rick Davis, President
