M.V. LeTip PRESIDENT'S MESSAGE

December 2008 and January 2009

Congratulations are in order to the members of the Mission Viejo Chapter for their hard work and dedication in making our chapter one of the largest chapters in the United States! Each of our members represents their business category without competition or conflict with other member's businesses. Each member holds exclusive ownership of his or her business category.

Each member of our chapter is a sales representative for each of our members, which provides us with great financial rewards. With great reward, there is also great responsibility. Our personal commitment to each other is that we keep our eyes and ears open for an opportunity to refer our fellow members during our business week.

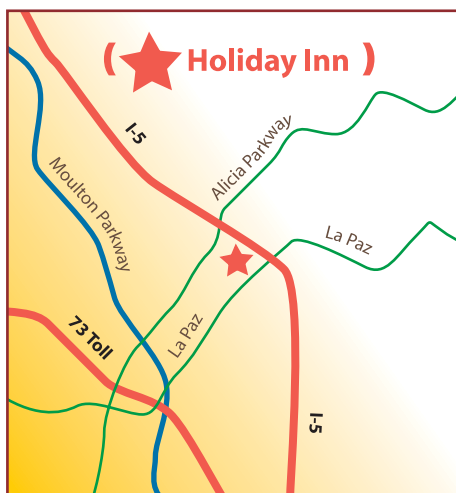

A membership in our chapter is valuable and sought after. Because we have over 100 members collectively, we generate tremendous amounts of referrals. Our purpose is to put dollars in your pockets.

If you are a member, you are the recipient of great awards. If you're not, please be my guest and join us for breakfast any Thursday morning at 7:00 at the Holiday Inn in Laguna Hills.

Andy Huff, President
