LETIP OF MISSION VIEJO

— NEWSLETTER —

SEPTEMBER 2011 AND OCTOBER 2011

LETIP OF MISSION VIEJO

PRESIDENT'S MESSAGE

Thank you all for your amazing support and energy you bring to **LeTip**.

During these times, it is vital that we maintain the core of Le Tip and what the members stand for which is networking and helping each other to grow our businesses. Therefore, we need to keep each other in mind when out and about each day. For example, you have lunch with a friend and they mention that they are in need of a product or service. Though they may not need your services, they could benefit from your tips to a trusted and reliable source- your **LeTip** contacts. We pride ourselves on members who are the best of the best in their industry, and know that our referrals will be taken care of. In turn, these members will refer back to you and so on and so on.

Our focus for this quarter is membership. Too often we get caught up in the outside world or politics within our own organization. However, this can impede growth in many ways. Instead we need to keep our eye on our target goal and help our businesses grow. The purpose of **LeTip** is to expand via networking, meaning infinite possibilities for obtaining more clientele. We have had a couple of recent events, such as the unofficial pizza party and sushi dinner which gave us a great time with our colleagues and families. This has brought a more positive energy level to our group. We are heading in the right direction with three new members this month alone. As a group, we are pulling together to help expand our **LeTip** family.

If you are not a LeTip member and have received this newsletter, please know that every associate you contact will provide you with the service above and beyond the ordinary. We pride ourselves on a strong group of ethical and professional people ready to assist you in whatever you need.

Again, I just wanted to welcome our new members and we all look forward to working closely with them. I welcome your input and suggestions for ways to keep our group running smoothly as a cohesive unit. Let's have a great quarter and think **LeTip**, buy **LeTip** and be **LeTip**!!!

Thank You
Daniel Abrams
President Letip MV
