December 2007 & January 2008

As we finish up 2007 in LeTip Mission Viejo, I hope that you got what you set out to from your club this year. We are the most powerful Letip marketing group out there - especially with our new internet technologies and systems that we've implemented this year at work. If not, take a look at where you can leverage more of the club's assets. Are you using the website, getting involved in the power groups, lunch bunches, mentor program, etc. If not, your board will support your efforts to do so! Just contact one of us for next steps. We're here to help. Looking forward to an awesome 2008!

Rick Davis, President
